

**National Guard Health Affairs  
King Khalid National Guard Hospital**

**SCHOLARSHIP ANNOUNCEMENT**

National Guard Health Affairs is pleased to announce the availability of scholarship posts within the Emergency Department for **FELLOWSHIP TRAINING IN PAEDIATRIC EMERGENCY MEDICINE**.

These posts are open to Saudi Nationals only. Applicants should be under the age of 35, and have graduated from a recognized university with a GPA of “Good” or above. We are seeking high caliber, motivated physicians who are Board Certified in Paediatrics or Emergency Medicine. Preference will be given to those applicants able to demonstrate excellent academic achievement and the ability and determination to succeed. The accepted candidate will be required to work at the King Khalid National Guard Hospital, Jeddah, prior to and on return from his/her scholarship training.

The accepted candidates will be offered training in a North American (or equivalent) program, the duration of which is likely to be two to three years.

Application forms, together with a list of supporting documents required, are available from Academic Affairs, Pergola Room 48, King Khalid National Guard Hospital, Jeddah. Closing date for applications is **WEDNESDAY 29 JUNE 2005**.
